Fictional study of sleep and well-being

Information and consent form

This study is entirely fictional: it is used to try out a data documentation tool. It includes the Fictional Sleep Questionnaire (FSQ) and the Fictional Anxiety Scale (FAS).

Research team: Dr Zoe ZQXQUESTEN-Example, Fictional Sleep Laboratory. For any question: zqxquesten@example.org or 555-0199.

Do you agree to take part in this study?

- Yes
- No

General information

What is your date of birth? (DD/MM/YYYY)

How old are you?

What is your gender?

- Woman
- Man
- Other identity
- Prefer not to answer

Your email address (to send you a reminder):

How tall are you, in centimetres?

Your sleep

The following statements make up the Fictional Sleep Questionnaire (FSQ).

Over the past month, how much do the following statements apply to you?

	Not at all	A little	Moderately	A lot	Extremely
1. I have difficulty falling asleep at night.					
2. My sleep is restful.					
3. I wake up several times during the night without being able to fall back asleep easily.					
4. I am satisfied with the quality of my sleep.					
5. I have energy as soon as I wake up.					
6. I feel drowsy during the day, even after a good night.					
7. I avoid screens in the hour before going to bed.					
8. I follow a regular routine before going to bed.					

On average, how many hours do you sleep per night?

How many times do you wake up during a typical night?

What do you use to help you sleep? (Check all that apply)

- A prescribed medication
- A natural product (herbal tea, melatonin)
- Cognitive behavioural therapy (CBT)
- None of these

Overall, how satisfied are you with your sleep? (0 = Not at all satisfied, 10 = Completely satisfied)

- 0
- 1
- 2
- 3
- 4
- 5
- 6
- 7
- 8
- 9
- 10
- Don't know

Your mood

The following statements make up the Fictional Anxiety Scale (FAS).

Over the past two weeks, how often have you felt the following?

	Never	Sometimes	Often	Almost always
1. I felt worried.				
2. I felt tense.				
3. I had trouble controlling my worries.				
4. I felt restless.				
5. I felt irritable.				
6. I was afraid that something terrible might happen.				
7. I had difficulty relaxing.				

Do you have any other comments about your sleep?

Which language do you speak most often at home?

Thank you for taking part!
